

## Facebook for Beginners **FB** 初学入门

### What is Facebook? Facebook 简介

Facebook is a social networking website where users can post comments, share photographs and post links to news or other interesting content on the web, chat live, and watch short-form video. Shared content can be made publicly accessible, or it can be shared only among a select group of friends or family, or with a single person.

Facebook 简称 FB 是一个社交网络服务网站，让你和亲朋好友保持联系，随时分享生活中的每一刻。
